

Hurst Police Department
825 Thousand Oaks Drive
Hurst, TX 76054

November 15 - 19, 2021

Forensic Mapping

Taught by Tim Lovett & staff

Class Equipment requirements:

- **Laptop computer** equipped with a wheel mouse and Installed CAD software
- **Mapping Equipment** such as a Total Station or Laser Device

CAD programs for instruction are Visual Statement, CAD Zone & ARAS

Data Collection instruction includes PocketZone, VS's M/FX, Sokkia and Nikon on-board

This course provides **BASIC CAD** instruction.

Tuition \$ 1095.00*

First 5 registrations get \$100.00 DISCOUNT

Thorough documentation of Crash and Crime scenes is paramount to the prosecution of cases. This course will enable investigators to utilize **Total Stations** or **Laser Devices** to create **Forensic Maps** for courtroom presentation.
